5:30PM	Check in with Chaperone
8:45PM	Load Bus
9:00PM	Depart for Grand Blanc
12:00AM	Estimated arrival in Grand Blanc

To maximize the amount of time we can spend in the park, we will not be stopping for any meals to and from Cedar Point. Please eat breakfast before you come to school, and make sure you eat something for dinner.

Each student must check in with their assigned chaperon twice during the day. The preferred method is to CALL your chaperon at the assigned time. If you do not have a cell phone, you must meet them by the "DODGEM" bumper car ride. (This is near the center of the park.)

The school district code of conduct is in effect during the band calls, rehearsals, performances and trips. If a student breaks the code of conduct, he/she will be susceptible to all applicable school disciplinary actions. In addition, should a student break the code of conduct while on a band trip, the student may be immediately sent home at the parents' expense. Students must follow standard bus rules and must ride the bus on all trips unless the director give special permission for the use of other transportation.
